

## Your Bucks are coming!

Vitality Bucks to our top finishers in the 15-Day Dash should be awarded by the end of the day, Oct. 16. The Vitality Bucks will be awarded directly to your virtual mall bucks total, but you will not see a line item on your Vitality Points statement (you will only notice an increase to your overall Vitality Bucks total).

We appreciate your patience and apologize for the delay in rewarding.

Congratulations again on your achievement, and thanks for your hard work and participation!
